

# Puppetry at the Carriage House

**A work-in-progress showing by Paper Heart Puppets  
October 11, 2019**

In a post human, post truth world, rumors of a deadly computer virus have escalated old tensions between robots and aliens. When the 7th floor receptionist at the Planetwide Bearings factory explodes, killing the CEO, the whole building is placed on lockdown. Locked in with the suspects, an alien detective and a robot insurance inspector must unravel the enigmatic error code before it strikes again. Created and Directed by Brad Shur.
