# One Night In Winter

One Night in Winter is the first chapter of Shinnai Meets Puppetry, a project to introduce the Japanese storytelling of Shinnai-bushi to international audiences with puppetry. Sachiyo Takahashi performs One Night in Winter by great master Okamoto Bunya under her official Shinnai-bushi name Okamoto Miya, collaborating with puppet designer/builder and lead puppeteer Rowan Magee. The story is of a lonely old man who receives a surprise visit from a Tanuki (Japanese raccoon dog) on a cold winter night. This adaptation of the song by Okamoto Bunya is performed by Sachiyo Takahashi, Rowan Magee, and Emma Wiseman.

This residency has been made possible through funding and support by The Jane Henson Foundation, Heather Henson, and The Jim Henson Foundation. Photographs by Richard Termine
